

I Don't Understand! Can you speak English?

(10 pts.)

This is a very important lesson! Do not forget it or you will really be in trouble!

First, log on to: www.survivalphrases.com

Second, choose the language of your country.

Third, download the PDF file for these particular languages, complete the worksheet below and then listen to the Audio file.

Arabic, Chinese, French, Italian, Spanish Lesson #7

German, Hindi, Russian Lesson #8

1. How do you say: "I don't understand." in your culture/language?
2. Is there a difference between how a man or a woman says it?
3. Are there any extra words which would make your expression more realistic?
4. Are there any gestures associated with this phrase that will let people know you don't understand or just don't know?
5. How do you say "Can you speak English?" in your language? (Hint: you may need to check out both lesson 7 and 8 or search for the question in the Search bar on the website!)
